

Appeal by the Secretary

Friends,

We have given an exhaustive list of our requirements above. It is for you to decide how far and to what extent you can come forward to ensure success of our endeavour to build up a developed India specially in helping a child in distress or a poor lady to live Honourably with a smiling face. It is a fact of our experience that the parents feel happy when their children are well-fed and well established in life. Same is the case with the Supreme Father and the Supreme Mother in heaven. If you like to please GOD, do it by serving His children in any form or norm you can, instead of offering tones of flowers and fruits at His Holy feet. **“They alone live who live for others; rest are more dead than alive” – so said Swami Vivekananda.** We, therefore, appeal to you to stand by our side in working out the principle of God worship in man – Siva in Jiva that the Great Swami preached and practiced during His lifetime in the light of teaching of His Great Master – Sri Sri Ramakrishna.

With blessings of the Lord.

Sincerely yours,
Swami Nityarupananda
Secretary
